CLYDE STUDIOS GREEN BUDGET

Clyde Studios continues to make a positive change on the environment.

“Green” measures taken by the building include ensuring toiletry supplies are recyclable products, previously increasing the mount of recycle bins on site in lieu of general waste,, and sourcing its electricity from Momentum Energy who is 100% owned by Hydro Tasmania.

We thank all our occupants for also making a different to the environment where possible.

TENANT PROGRAM

We are delighted to confirm that the tenant introductory program will be going live from 1 April for the remainder of 2025.

Should your business introduce someone who leases one of the few remaining vacancies at Clyde Studios, a credit of 1 month's rental will be provided to you as a thank you.

Please contact either of your property managers Stephanie or Trent for further details.
